Re: *Emamian v. The Rockefeller University*, No. 07 Civ. 3919 (PGG)

Your Honor:

Dr. Emamian comes before the Court on an application for an additional two days to file her Fed. R. Civ. P. 72 objections to the Report and Recommendation. This is the third request for this relief. The first request was granted, the second request for two weeks was granted, then modified to one week. Currently the time to file our objection is tomorrow, and we request permission to file the objection on Friday. The defendant's position on this application was requested earlier this afternoon, but as of this writing, it is unknown. We acknowledge that the timing of this application is out of compliance with Your Honor's Individual Rule E, however, the application constitutes an emergency as the medical conditions discussed below have been unexpected.

The basis for the request is the principal author of our post appeal litigation, Regina Powers is, and has been, out with COVID-19. Further, Luna Droubi has been in and out of medical appointments due to numerous complications related to her pregnancy. Other pressing deadlines have made meeting the current date unreasonably difficult.

If this motion is granted, the new dates would be:

Fed. R. Civ. P. 72 Objection:
Defendant's Response:

March 18, 2022
April 15, 2022

MEMO ENDORSED

The Application is granted.

SO ORDERED:

Paul G. Gardephe, U.S.D.J.

Dated: March 16, 2022

We thank Your Honor your consideration of this request.
